Dear Parents, Staff and Concerned Citizens:

I am very privileged to communicate with you once again and hope this message finds you well and warm with the cooler weather.

As we continually strive to improve our lines of communication with parents and the community, I am proud to present to you a newly created brochure regarding Avon High School which was custom designed through the talents of an Avon parent. The Avon High School brochure is the first of six planned brochures – one for each school, including one for the district. Continuing the concept of the high school brochure, each brochure will highlight the unique character of the school, describe the rigorous curriculum, and showcase student achievements.

Families in the Avon Public Schools will be receiving the high school brochure shortly. An electronic copy of the brochure is available on our district website at http://www.avon.k12.ct.us/sites/avonctps/files/file/file/ahs_full_brochure.pdf.

After you have reviewed the brochure, I am sure you will join with me in taking pride in Avon's exemplary high school and the achievements of its students.

As always, I thank you again for the privilege of serving you and your children.

Very truly yours,

Gary S. Mala
